- copy homework or class work from someone.
- allow another student to copy from your homework or class work.
- do work for another student that he/she will turn in as his/her own.
- have another student do work for you that you will turn in as your own.
- copy the work another student has done on a test or exam.
- attempt to copy the work another student has done on a test or exam.

STUDENT DRIVER AND VEHICLE REGISTRATION INFORMATION

Driving your car to school is a privilege. Any car you drive to school must be registered in order to park on school property. The sticker permits must be adhered to the lower left rear window (driver's side). The sticker must be visible. Vehicles not registered will be ticketed and may be towed. Please observe SAFE driving practices. Here are some regulations:

1. Driving your car to school is a privilege which can be revoked.
2. Observe all stop signs and warnings when entering and exiting the parking lot. Careless driving and/or speeding are not tolerated.
3. Park only in student-designated areas. Do NOT park in the staff parking lot.
4. Park between yellow lines only, not on the lines. Do not park in reserved areas or block gates/driveways.
5. Police will ticket any vehicle parked in a designated fire lane or handicap spot without a permit from the Secretary of State office. Parking violations issued by the police or assistant principals may result in the loss of the privilege to park on school premises.
6. Observe the 5 mph speed limit at all times when in the parking lots. There is heavy traffic in and around the building each day.
7. All vehicles must be locked every day. Richard Winn Academy cannot be responsible for stolen property.
8. A student who operates a vehicle upon school property is considered to have given consent to search of the vehicle with cause by school officials or police officers. Search may include the passenger compartment, engine compartment, trunk and all containers, locked or unlocked in or on the vehicle. A parent or guardian who grants permission for his/her student to operate a vehicle on school property is also considered to have given such consent to search of the vehicle.
9. If a student drives on school property when driving privileges have been suspended, the student may lose driving privileges for the remainder of the semester. Suspension of driving privileges for moving violations at one school applies at all other schools. During any suspension of driving privileges, the student may not drive or allow his/her vehicle to be driven by another student.
10. You must sign out in the attendance office before going to your car and sign in upon return if you need to go to your car to retrieve a forgotten item.
11. Trash must be disposed of in the proper waste receptacle.
