The RWA Booster Club would like to welcome you back for another exciting year!

The RWA Booster Club is an organization that provides financial and physical support to our athletic department. The funds and labor provided by the Booster Club ensures continued success and growth in all athletics and athletic events for our student athletes and their families. It takes a lot of work to make this happen, and as a parent of a student athlete, you are required to become a member of the RWA Booster Club and pay the **yearly dues of $110.00**. As a member, you are expected and encouraged to volunteer a minimal amount of time and effort to continue the success of RWA Athletics.

The Booster Club is responsible for many events throughout the year. These events include workdays, special athletic tournaments, the annual Athletic Banquet, and admissions and canteen for all home games. To make sure we have enough volunteers at each event, we will be following the same policy as last year. **This policy requires that one of the Student Athlete's Parents must volunteer for at least one admission table or canteen slot throughout the 2026/2027 academic year.**

As in the past, a sign-up link/app will be created prior to the fall and spring sporting events and will be provided via email for parents to sign up at their convenience for specific duties. These links are also available on the school's website under "Booster Club". This link/app will show all open slots needed for each event. Please take the time to select the date and time that works best for you. Slots fill up quickly, especially toward the end of the school year. To ensure you are able to fulfill your volunteer requirements, we encourage you to sign up as soon as possible.

All other events will be communicated individually. If you do not receive an email, please contact a Coach, the office staff, or a Booster Club Board Member to allow you to schedule the required commitment.

If you choose not to volunteer your time at **any event** throughout the year, a parent/family can opt out by paying an additional **$400.00** fee, which will be due by May 3, 2027. This money will be used to pay any additional help that may be needed throughout the year if volunteer help is not provided.

We thank you for your help and support and look forward to another great year! Go, Eagles!

2026-2027 RWA Booster Club
